New Committee Will Handle
the Problem—Expense Ques-

Annual meeting of the United States Tennis Association held at the Marlborough yesterday afternoon nearly 150 clubs wrestled with the question of defining the difference between an amateur and a professional player. The committee on the subject, which was organized last year, has been unable to reach a decision on the matter.

HOLEY APPROACH WINS.

Hyde's Final Shot Approaches Close to Shot Match.

PAIRM BEACH, Fla., Feb. 14.—In one of the best matches ever played over the Palm Beach links J. R. Hyde of the South Shore Golf Club defeated W. S. Stafford of England over 18 holes in the morning. Hyde's final shot approached close to the hole in a record time of 17 seconds. Hyde's approach was a masterpiece of golf, and a fair idea of the high standard of golf play can be gained.

In the second division A. F. Southernland, Garden City, was the victor over G. W. Watts of Baltimore by 9 and 7, the former playing at the top of his game throughout the match.

Trainer Quinn Dies.
Coach of Harvard Field Men Was in His Thirty-sixth Year.

Boston, Feb. 14.—William E. Quinn, trainer of Harvard's field men, died here today. The loss of the noted trainer, who was in his thirty-sixth year, is a severe blow to the Crimson.

His expert handling of the Harvard team in the last several years was a potent factor in the continuous success of the Crimson teams.

Football Rules Little Changed.
Most Significant Point Replaces the Short Kick of Earlier Years.

The American intercollegiate football rules committee, which held its annual meeting yesterday at the Marlborough Hotel, did very little tinkering with the playing rules. The code for playing football in 1913 will differ little from that of last year, and the few changes that were made are of a minor nature.

The committee removed the five yard restriction on kicks, so that hereafter the ball may be kicked from as close to the scrimmage line as a team may desire.

The committee also decided to remove the restriction on the number of players who may be on the field at any one time, and to allow a team to use as many as it wishes.

American "Champion" Refuses
\$10,000 to Meet British
Titleholder.

Gunboat Smith, the California heavyweight, was matched yesterday to box the British champion, Bombardier Wells, in Madison Square Garden on either March 17 or 18, a point to be settled by Manager William Gibson today.

Gibson talked with McCarney, who is in California, over the long distance telephone yesterday morning. Gibson asked McCarney's manager if he had read the statement of Wells's manager, James Maloney, offering a \$10,000 guarantee for a round bout.

Gibson replied that he had read Maloney's proposition and was not ready to accept it. Gibson then repeated the Garden's offer of \$5,000 per round, for which he was ready to pay \$10,000 in advance.

STRAIGHT SETS IN TENNIS.

Touchard, Pell and Others Complete
Third Round Indoors.

In the national indoor tennis

championship tournament at the

Seventh Regiment Armory yesterday the one match which was left over from the second round resulted in a victory for Merrill Hall over A. M. Lovibond in straight sets, 6-4, 6-4.

Four matches were contested in the third round, and in each of the four cases the victor won in straight sets, and with little or no difficulty.

H. McK. Glazebrook vanquished G. G. Greuz in quick time, giving the loser a game in the first set and only a brace in the second.

T. R. Pell advanced a bracket at the expense of Dr. William Rosenbaum. The loser started well, but could not stand up to Pell and soon fell to the wayside with a 6-3 score.

In the second set he was unable to take even one game. In the match Pell showed much of the speed and cleverness that he displayed in the 1909, 1910 and 1911 tournaments.

G. F. Touchard's match with Rosen Schenck was another one-sided affair. The former, aided by Pell and several other difficult, registering a 6-3, 6-0 score.

Glazebrook's match with Greuz was a close one. The former won in straight sets, 6-3, 6-0. Glazebrook's match with Greuz was a close one. The former won in straight sets, 6-3, 6-0.

Baseball sharpshooters discovered yesterday that there was a delay in the adoption of the National League schedule because the Brooklyn, at home, will play twenty-nine dates, which conflict with the New York Americans at the Polo Grounds. The American League, however, has its schedule on Monday and Thursday. It was too late to alter the National League dates, although it is said that there were many objections to the schedule.

Hits at Reciprocity.Jersey Assemblyman Would Repeat
Assembly Privilege.

Some of the New Jersey legislators

find it very hard indeed to keep their

hands off the automobile laws, as is evidenced by the fact that one of the Assemblymen has introduced a bill, which he succeeded in getting out of committee for a short time only, to have the limited touring reciprocity feature of the New Jersey motor vehicle law so amended as to cut off that reciprocity privilege.

The reciprocity measure, after consistent opposition on the part of New Jersey's strangers, became a law in 1912, and has since been in operation. In that time there is no question that a great deal more money has come into New Jersey because of the comparatively free touring privilege.
